PSLT WEEKLY ROUND-UP

Mrs. Stokes
Head of Primary

A huge well done to all of our KS2 students who participated in the swimming galas this week. The determination, sportsmanship and team spirit on display were fantastic, and we are so proud of each and every swimmer. Thank you to all the parents who came along to cheer on the children—we hope you enjoyed the event as much as we did.

We also had the absolute pleasure of watching our KS2 Production team take to the stage for two brilliant performances of 'What's the Crime, Mr Wolf?' on Wednesday and Thursday. The energy, confidence and creativity shown by the children was truly inspiring. Drama and theatre offer so many valuable benefits for young people—developing their self-esteem, encouraging teamwork and collaboration, improving communication skills, and allowing them to explore empathy and imagination in a unique and powerful way. It was a joy to see all of this come together so beautifully on stage.

A heartfelt thank you to Ms Gammage, Mr Leonard and Mrs Webster for their hard work, dedication and passion in bringing this production to life. It was a wonderful celebration of the performing arts at SVS.
