PSLT WEEKLY ROUND-UP

Mrs. Stokes
Head of Primary

A huge thank you to the parents who kindly shared treats with us on Monday as part of the school's Haq Al Laila celebrations. This is always such a joyful occasion for our school community. Haq Al Laila is a cherished Emirati tradition that celebrates kindness, generosity and community spirit. Through this celebration, our children learn about the cultural heritage of the UAE, the importance of giving, and the joy that comes from sharing with others. Seeing the excitement on the children's faces, as well as their curiosity in learning about local traditions makes this a truly meaningful experience each year.

Today also marked the opening ceremony of what promises to be a very busy and exciting weekend, as we proudly host the BSME Games here at SVS. To all of our SVS students who are participating, we wish you the very best of luck. I am very much looking forward to being part of the events this weekend, cheering on our students, and celebrating the teamwork, determination and sportsmanship that these games represent.

SPECIALIST UPDATES

Children's Mental Health Week

Mr. Webster
Assistant Head, Pastoral

We are pleased to be celebrating Children's Mental Health Week all of next week. The theme of this year's event is 'This Is My Place'. Therefore, much of our focus for the in-class activities throughout the week will be on the ideas of belonging and connectedness.

To celebrate the feeling of belonging that we hope all of our families feel to the South View Community, we would like to invite as many families as possible to contribute to our "This Is My Place" photo wall. Many of our children have spent their entire school career in South View School and have grown up in Remraam. We would love you to share your photo memories of your children's journey through South View School, special moments they have enjoyed at key school events and any happy family photo memories you have from the local community.

Please send any photo memories you are happy to share on a physical "This Is My Place" wall and on our social media channels. All photos can be sent to the following email address photos@southview.ae We look forward to receiving and sharing as many photos as possible

Parent Workshop

Every parent at some point has experienced challenging behaviour from their children. This is not new but how we deal with these challenging moments is vitally important. At South View, our students are familiar with the Zones of Regulation and how they relate to their daily emotions and the way they behave. Dealing with these daily challenges and how they may change as children finish school and come home, are some of the issues that our visiting occupational therapist will cover when she presents to parents in the Secondary Library on Thursday 12th February at 8.00am.

Safer Internet Day

Mr. Marais
Computing Teacher

Safer Internet Day, which takes place on 10 February, is an important opportunity for our school community to come together and focus on using technology safely, responsibly, and positively. Throughout the day, students will take part in a range of age-appropriate activities designed to raise awareness of key online safety topics, including protecting personal information, recognising online risks, dealing with cyberbullying, and understanding the impact of their digital footprint.

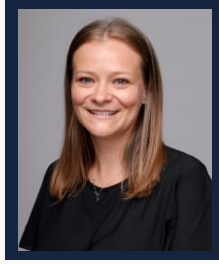

Lessons and assemblies will encourage students to think critically about what they see online and to make smart, respectful choices when communicating and sharing content. These activities form part of our wider commitment to Digital Citizenship education, which is supported by secure filtering systems and ongoing guidance from staff.

By celebrating Safer Internet Day, we aim to empower students with the knowledge and skills they need to stay safe online and to remind everyone that creating a safer internet is a shared responsibility.

Dear Parents,

Al Salam Alukom Wa rahmat Allah.

We would like to extend our sincere thanks to all the parents who participated in and supported our Haq Al Lailah celebration.

Your presence, generosity, and enthusiasm helped create a joyful and memorable experience for our students.

Events like these truly reflect the strength of our school community, and we deeply appreciate your continued support and involvement.

As we now approach the blessed month of Ramadan, we would like to remind you of our upcoming SVS Ramadan Iftar, which will take place on Thursday, 26 February 2026 at the school. This special evening is an opportunity for our families, students, and staff to come together in a spirit of faith, unity, and community.

We warmly invite you and your family to join us for this meaningful gathering. Your presence will add great value to the evening and help us share the true spirit of Ramadan with our school community.

Kindly ensure that you have completed your registration through the school email sent earlier, so we can make the necessary arrangements.

We wish you and your families a blessed and peaceful Ramadan Mubarak in advance, filled with health, happiness, and spiritual growth.
