## Mr. Holliday's Highlight of the Week

Fixtures are back! Swim Galas are back! Events and Shows are back! It has been incredible to see these much-loved opportunities take place at school. We're not there yet, but we are moving ever-closer towards more familiar times. A huge thank you to families and members of the community for following KHDA and DHA guidance. This compliance helps us create more and more of these opportunities - so a public thank you from us to you.

Looking forward to the upcoming National Day Holiday, the school will be hosting our celebrations on Monday 29th November. Please read the [National Day letter](#) from Mr. Flint here.

## Head of English - Miss Kabbani and South View Cinema Day

I would like to say how excited I am to be leading English at SVS. I look forward to continuing and developing the wonderful things in place within our English curriculum.

As the term comes to an end, the children are working extremely hard to read every night and quiz on Accelerated Reader to reach their targets. Each book has a number of points that can be achieved. The more points that are gained from accurate quizzing, the more chance the students will have to fulfill their targets.

Our 100% achievers from years 2-6, will have the pleasure of attending our SVS cinema day! The children will put their feet up, watch a film and enjoy celebrating their reading achievements. If you want to see how far your child is off their target, just click the 'progress' tab on their home screen.

I am certain we will have many students sharing in our SVS cinema experience and I am very much looking forward to this!

## Wellbeing in EYFS

*In the interest of health & safety and safeguarding, the below areas will be closed after 1pm:*

- Play area beside FS1/EYFS Hall
- Quad area near FS2E, F and G

*Please collect your child and leave the school grounds as quickly as possible.*

*Additionally, the FS after school club will now utilise this outdoor area daily; therefore, these areas will no longer be available to parents waiting for older siblings. If you wish to sign-up to our after school club or would like more information, please contact reception at [reception@southview.ae](mailto:reception@southview.ae)*

## Mr. Hassan's Highlight of the Week

*This week, all Primary Arabic A and B students have had their summative assessments in 4 Arabic language skills (Reading, Writing, Listening and Speaking). All assessments are held in a child-friendly environment, with activities designed to enable the children to be themselves.*

*Next week, all students will be learning about National traditions of the UAE through different activities in celebration of the 50th UAE National Day.*

Mr Ahmed Hassan  
Head of Arabic

Mr Abdelhamed Kerba  
Head of Islamic Studies

## Mr. Kerba's Highlight of the Week

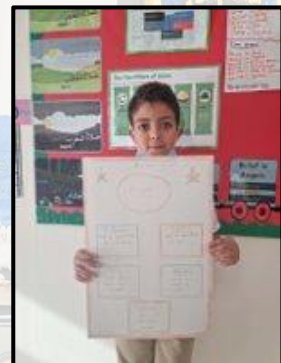

*This week was an amazing week, mashallah 95% of our Islamic Students have completed their Islamic Assessment, due to absence those who have not yet completed their Islamic Assessment will do it next week.*

*Next week we will be having our recitation assessment.*

*Note: To help and support one member in our SVS community, [Here](#) you will find links with a Survey about Islamic Study. They are planning on introducing new Islamic book for primary students across Dubai. SVS does not endorse this product so this is entirely optional for families - we are just sharing the link to help a school community member.*

*Below is some of the Islamic Achievement.*

*Zain, Mila, Abdullah, Adam have made great Islamic posters.*

Dear Families,

To support families and offer more convenience with uniform orders, we are currently in discussions with our uniform supplier to arrange an on-site visit with uniform stock. We anticipate this will be later in Term 1.

During these discussions, we are requesting that the supplier set up a Microsoft Form for orders, which we hope to share with families early next week. Families can then order specific items for the supplier to bring to the school site on the visit, once confirmed. Please watch this space for more details.

## *Miss Ruse's Highlight of the Week*

*This week we have been exploring the country of the UK as our locations have begun to cool down as we get closer to the Winter months. We have loved making '5 currant buns' using the playdough and taking it in turns to buy the currant buns whilst singing the song.*

*The children have loved celebrating 'Odd Sock Day' as part of Anti-bullying week too. We discussed our similarities and differences and explained that that is what made each of us special unique. We had some fabulous socks being worn and made to celebrate this so thank you for all of your efforts!*

## Miss Walker's Highlight of the Week

*This week, our highlight was the incredible performance all our FS2 children gave during their Winter Recital. As a team, we are incredibly proud of the determination the children showed when learning their songs and then making their costumes. We were truly blown away by the courage they all showed delivering an outstanding performance, despite some nerves, in front of a big audience.*

*FS2 have also enjoyed spending the week celebrating our differences. A highlight of the week were the examples the children gave when asked how they could make their friends, teachers and family members feel better. To conclude the week, we explored an "Odd Socks Gallery" which showcased all the Odd Socks created over the week.*

PE: To develop spatial awareness in negotiating obstacles.

Arabic: To learn a selection of UAE National Day themed words and recognize the national symbols of the UAE.

*Our Term 1B topic is: Rio De Vida*

## Miss Stanton's Highlight of the Week

*This week in Year 1 the children have done a fantastic job at planning, innovating and writing their own stories, based on our focus story, Doris the Loris. They gave the story it's very own UAE twist, changing the setting to a desert and the characters to animals such as camels, falcons and snakes! The children then used their 'never give up' attitudes to write their innovated story independently using all the skills and techniques they have learnt in Year 1 so far. In Maths they have used their investigative skills to explore 2D and 3D shapes, and have also created their own healthy lunchboxes in Science.*

*The children are very excited to perform their [Winter Show](#) for you next week and have been perfecting the final touches all week!*

## Miss Ryan's Highlight of the Week

*Firstly, I would like to say how excited I am to be stepping into this role, I look forward to continuing and developing the wonderful things in place in year three as Miss. Kabbani begins her role as head of English.*

*This week, Year 3 in maths have been recapping their knowledge of adding and subtracting of one, two and three digit numbers. They have also been exploring the inverse of numbers and estimating their calculations. In English they have been continuing to delve further into their learning of portal stories and are beginning to write their own portal story. In science we have been continuing to explore rocks and soils and doing some investigational experiments.*

*We celebrated our differences and uniqueness this week and had a wonderful 'anti bullying' assembly during a very successful and fun 'odd sock day'*

*Year three have continued to use their growth mindset and show how they are becoming very resilient learners. I am very excited to share the continued success of year 3 throughout the year.*

**Our Term 1B topic is: Burps, Bottoms and Bile**

## Miss O'Connor's Highlight of the Week

*This week, Year 4 students have planned their very own scientific enquiry. We are testing out the effect of liquids on tooth decay. The students had to first ask a relevant scientific question and then they had to discuss in groups how they would actually find the answer to their question. What method would they need to follow? It was important that we managed the variables, keeping everything the same and only changing one thing in our investigation. Next, having planned thoroughly, we set up our practical enquiry. We predicted what we think will happen and we are the process of making and recording observations. What do you think will happen?*

Arabic B: To learn a selection of UAE National Day themed words and recognize the national symbols of the UAE.

Islamic: To complete Quran Recitation assessment.

MFL: To express my breakfast choices in writing from memory.

## *Mrs Barlow's Highlight of the Week*

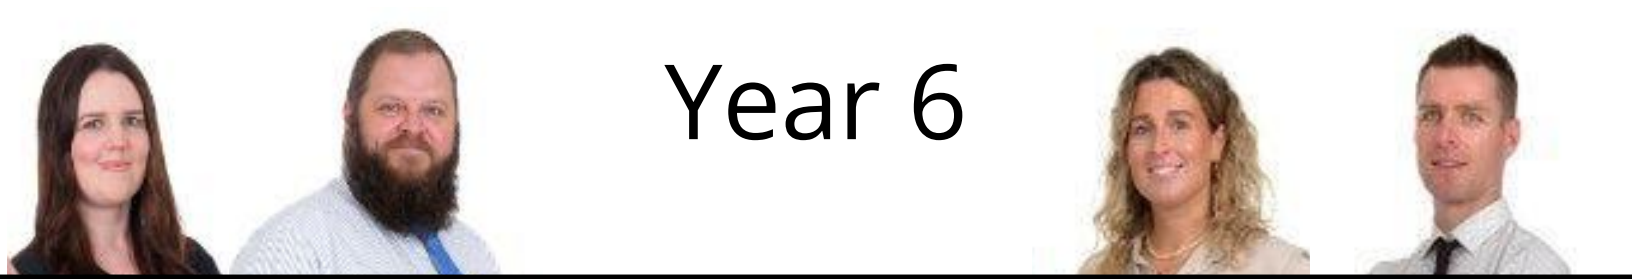

*In Year 5 this week, we have been working on our persuasive leaflet to sell our Viking settlement. We have worked hard to draft our ideas and chose the best persuasive devices to suit our target audience. They have learnt how to use bullet points, headings and subheadings. We have had the opportunity to continue reading our class book, The Viking Boy.*

*In Science, we have finished our properties and materials topic learning about how to separate materials and understanding that some changes of state can be reversible and some can be irreversible.*

*Students have been learning about area and perimeter this week and have had the opportunity to get their rulers out to get measuring for themselves.*

*We are all looking forward to our Viking theme day next week and all the fun activities we will get to do.*

## Miss McCandless' Highlight of the Week

*We have had another enjoyable and successful week in Year 6. In Maths, we have been applying our learning from this term to arithmetic, problem solving and reasoning questions, and have been able to show how much progress we have made in Term 1. In English, we have enjoyed finishing our non-chronological reports, making sure that we include all of the required features and some interesting language choices. Year 6 teachers have been so impressed seeing the children apply their skills to yet another genre of writing! Science lessons this week have been very practical, and have allowed the children the chance to begin using circuit equipment such as batteries, ammeters and wires. They are all enjoying the opportunity to work scientifically, and this will continue over the next couple of weeks. In Topic lessons, we have been learning about the ways in which the Victorians lived, and will be using the information gathered to create our own reports next week.*

# The Oryx Online PE and House Teams 18.11.21

Mrs. Sonia Teodoro

Dear Parents and students,

It has been a brilliant week in our PE lessons at Southview. The students in KS1 have learned the basic rules of a strike and fielding game, how to score points and strike a ball. The boys in KS2 develop their football skills and the girls acquire new skills related with rounders. It's time to move to the next topic – ATHLETICS, and get everyone prepared for the upcoming Sports Day 2022 (dates to be confirmed).

This week we had our first primary swimming gala 21-22 and we are so proud of everyone effort and achievement. It was amazing to watch our year 3 swimmers competing for the first time, being supported by our, must experiments swimmers in year 6. GO SVS!! We are also pleased to announce that in the next weeks, during PE and swimming lessons, the PE department will be conducting trials for Term 2 SVS competitive teams in Athletics (boys and girls) and football (girls).

**GENTLE REMINDERS:**

- Thursday, 25th of November – Dubai Fitness Challenge closing ceremony , all students to wear PE kit
- All students to bring their hats to school to take part in outdoor activities.

Please [CLICK HERE](#) to see Swimming Dates - select your class tab from along the top menu.
